TESTIMONIAL

Mr Max Heslehurst
HHSS Manager

Dear Max

It is a pleasure to write a testimonial for your group, with whom I have been associated now for many years.

You recall I was your original patron. I can confirm that during this period of time, you and your colleagues have provided excellent support to many patients and ex-patients suffering from heart disease.

Your visitations to the hospital clearly helps people in need and gives them encouragement and advice as to their future.

Your additional work in supporting exercise programmes, cardiac rehabilitation unit and also being an advocate for establishment for a local cardiac catheterisation laboratory has been invaluable.

I am most happy to commend your association and trust this is of assistance to you.

Kindest regards

A/Prof Kevin Alford
